

MoEFACS PRE-CONFERENCE WORKSHOP

“Missouri Family and Consumer Sciences Student Teaching/Cooperating Teacher Inservice”

This one-day inservice is designed for Missouri family and consumer sciences instructors interested in participating as a cooperating teacher in the student teaching process, whether you have supervised student teachers in the past or are interested in doing so in the future. This session will be a collaborative effort of the family and consumer sciences teacher education programs and family and consumer sciences teacher educators in Missouri. Session content will be geared toward the needs of cooperating teachers across the state.

Tentative Session Content/Agenda

- Overview of Qualifications
- Creating a Learning Environment for the Student Teacher
 - Observational Skills
- LUNCH and Roundtable with Cooperating Teachers
 - Conferencing Skills
- Evaluation of the Student Teacher
- Socialization of Teachers and Professional Image and Marketing of Programs
- Questions/Answers and Course evaluation
